CHECKING OBU SETTING IN THE CUSTOMER PORTAL

- 1 You can view your journeys that haven't been invoiced yet in the customer portal.

The screenshot shows the Toll Collect customer portal. The main navigation bar includes 'Notifications', 'Vehicles', 'My data', 'Settlement', and 'Services'. A 'What do you want to do?' sidebar contains links for 'Book a route', 'Locate a Service Partner', and 'Locate toll stations'. Other tiles include 'Notifications', 'Registering a vehicle', 'Registering several vehicles', 'Displaying and changing vehicles', 'Invoicing documents', and 'Service Hotline'. A hand cursor icon points to the 'Non-invoiced journeys' tile, which states: 'Here you can view your Itemised Journeys that have not been invoiced.'

You will now receive a statement of your journeys that haven't been invoiced yet.

2 Select yesterday's date.

Non-invoiced journeys

Here you can view the journeys you have made since your last toll statement. The list only contains journeys already transmitted to Toll Collect. Please note that this is non-binding advance information and may not be complete.
