MÜŞTERİ PORTALINDA ARAÇ CİHAZI (OBÜ) AYARLARININ KONTROLÜ

1 Müşteri portalında, faturalandırılmamış sürüşlerinizi görebilirsiniz.

The screenshot displays the Toll Collect customer portal interface. At the top, there is a navigation bar with the Toll Collect logo and the tagline "service on the road". The main navigation menu includes "Notifications", "Vehicles", "My data", "Settlement", and "Services". A search bar is located in the top right corner. The main content area features a "Customer portal" section with a description: "Here you can manage your vehicles and your personal data yourself. Quick and easy with just a few clicks of the mouse." Below this, there are several service tiles: "Notifications" (find messages), "Registering a vehicle" (online registration), "Registering several vehicles" (minimum 5 vehicles), "Displaying and changing vehicles" (change data online), "Non-invoiced journeys" (view uninviced journeys), and "Invoicing documents" (view statements and invoices). On the right side, there is a "What do you want to do?" section with options like "Book a route", "Locate a Service Partner", and "Locate toll stations". Below this is a "Service Hotline" section with contact numbers for Germany (0800 222 26 28) and outside Germany (00800 0 222 26 28). At the bottom right, there is a "Download Centre" section with links to forms, brochures, and manuals, and a "Questions?" section with a link to a comprehensive list of questions. A hand cursor icon is positioned over the "Non-invoiced journeys" tile.
